Epilepsy Alliance America – Member Organizations - Grants Update and Reminders March 27, 2024

What is this update?

We are going to try to make this a monthly update on the National Grants that EAA has received that have Member Organization Opt-In Opportunities as well as Deliverables and Deadlines. The idea is that we will 'package' all of the information and reminders into one monthly update. This came out of the Program Committee meetings as a way to keep the Program Committee, and the member organizations, on track with Grants and Deliverables.

Who is getting this update?

For this Grants Update Email I'm using the same email as the Board Meeting Invite – so all EAA board members and one representative from each member organization who is invited to the board meetings.

Please forward in your organization as appropriate. This update will be saved and added to the CORPORATE PARTNERSHIP PAGE in the Member Portal.
